LB 466A, 1106A

CLERK: Mr. President, Senator Labedz would move that 466A become law notwithstanding the objections of the Governor.

SPEAKER NICHOL: Senator Labedz.

SENATOR LABEDZ: Thank you, Mr. President, I'm afraid we have to do it again. As I said before, there is no cost whatsoever to the general fund. The money will come from the conservation fund or the fund created by LB 466 which is strictly voluntary funds by the taxpayers of the State of Nebraska that receive a refund. That money will then be given to the Department of Revenue for any expenses they incur on the collection of the voluntarily contributions to the endangered species and the fund that is created by this bill. I urge the override of the veto of LB 466A.

SPEAKER NICHOL: Senator Vard Johnson.

SENATOR V. JOHNSON: (No response.)

SPEAKER NICHOL: The question is the overriding of LB 466A. All those in favor vote aye, opposed nay. It takes 30 votes. Have you all voted? Record, please.

CLERK: (Record vote read as found on pages 2445-2446 of the Legislative Journal.) 30 ayes, 16 nays, 3 present and not voting, Mr. President.

SPEAKER NICHOL: The bill is overridden. We are asking that you please stay under Call so that we can roll these along pretty good because debate should not be very long, I wouldn't think, and we will be coming up on the votes quite fast. Thank you.

CLERK: Mr. President, the next motion I have is by Senator Clark. Senator Clark would move to reconsider the vote on LB 1106A, the final passage of.

SPEAKER NICHOL: Senator Clark.

SENATOR CLARK: Mr. President, members, I filed this up
